Welcome to our Leadership Training Program at Mill Stream!

Thanks for your interest in Mill Stream Bible Camp & Retreat Centre this summer. We have been praying that God would prepare the way for those of you who wish to come and be involved in our LTP Camp this summer.

Are you ready to make new friends, be spiritually challenged, see God's miracles before your eyes, and have a lot of fun!

Are you ready for some hard work to be rewarded with the ultimate results, serving God and serving others to bring God the glory? If your answer is YES, we trust that you will be praying earnestly to know what God has in store for you this summer...we would love to see you at LTP camp!

Individuals in the Leadership Training Program (LTP) will be provided with a unique educational, social and practical challenge that is geared for high school age teens with leadership potential. Each participant will have opportunities to develop their God-given gifts and skills, deepen their knowledge and application of Scripture, and participate in a variety of camp training situations. We look forward to seeing how God will prepare and use each one this summer.

LTP will teach the principles of servant-leadership for preparation not only to serve at camp, but for future leadership and service opportunities within the church and community. The LTP course is held in the summer under adult leadership where individuals will be provided with practical experience by through hands-on training in several aspects of camp including counselling, dining hall, camp maintenance and housekeeping. This program runs during a Trekkin' Camp week.
