Praise God for a great summer ... great weather ... great campers ... great staff ... great experiences ... great fun ... great growth ... great results. Did you catch the point? Our theme this summer was "Our God is able" and he proved it once again.

While it was easy to complain about the heat and humidity at the beginning of July, it was such a great change from the cool, wet summers we experienced for the past 2 years.

Our staff training week adopted the theme "Superglue" based on the verse "Above all, be loving. This ties everything together perfectly." Col. 3:14 When we are united through Christ we have the strength to face all of the challenges of summer camping ministry which include long days, shorts nights and new situations.

Our campers and staff enjoyed a fabulous summer with good weather, fun activities, great relationship building and exciting spiritual growth and results.

It was a very full summer with our Trekin' Camps, Trailblazin' Camp, Beginn' Camp and Handi*Camp weeks. We saw tremendous leadership and spiritual growth in many of our staff. We experienced over 40 children and teens committing their lives to follow Christ.

Join us this year at our Fall Open House & Luncheon Banquet and meet many of our staff who made this summer such a great success. Hear them share their stories and excitement about the campers that came and how they were used by God to build relationships with the children.

Many Projects, Many Needs, and Many Answered prayers

"Our God whom we serve is able to deliver us."

Daniel 3:17

Thank you for those of you who have been praying for the camp needs and those who have sacrificed financially. Through your support we were able to purchase 3 new upright freezers, upgrade the motel to meet fire code and repair the gazebo including installing all new benches. One of the needed repairs which we had to contract out this summer was the repairs to the camp house roof and chimney. The chimney needed replacement and the house roof was replaced with a steel roof. The roof costs were \$5,600. Please join with us in prayer in asking God to provide for the many financial needs of the camp this fall including the money to pay for the camp house roof.
